Our Anniversary Song

[Long Guitar Solo]

[Verse 1]
You packed your whole world behind

You had one backpack
With only one way ticket
No turning back
I was waiting on the other side

[Pre-Chorus]
Seeing you in the car
Your eyes big and beautiful
In the streetlights

[Chorus]
This is our anniversary song
When you smiled at me
Is when I knew
Where your heart belonged
It seems like I was waiting so long
For you

[Verse 2]
You saw me with my walker
I thought you would turn and walk the other way
But instead, your palms around my face
When your lips touched mine
I knew that I wanted you to be mine forever

[Electric Guitar Solo]

[Pre-Chorus]
Seeing you in the car
Your eyes big and beautiful
In the streetlights

[Chorus]
This is our anniversary song
When you smiled at me
Is when I knew
Where your heart belonged
It seems like I was waiting so long
For you

[Bridge]
I didn’t want roses
I didn’t want candles
All I wanted is your heart
If I have your love
Then we won’t fall apart [We won’t fall apart]

[Long Electric Solo]

[Pre-Chorus]
Seeing you in the car
Your eyes big and beautiful

In the streetlights

[Chorus]
This is our anniversary song
When you smiled at me
Is when I knew
Where your heart belonged
It seems like I was waiting so long
For you

[Electric Guitar Solo]

[Spoken]
Rob, I love you so much
Thank you for showing me
What love feels like

[Guitar Solo]
