True Love

True love felt like a made up word

True love is what I never had

For years, pretending was always my home

Then I met you

Now I'm scared that true love is real

I can't deny how you make me feel

I tried to get you out of my head

I tried to get you out of my heart

I've tried to sabotage my feelings for you

But true love is always in my way

Being with you feels like an option

But it's not an option when true love is my destination.
