Mistake

[Verse 1]
I’ve warned you once
And I’ve warned you again
But you’ve stretched the truth
Until it was broken

[Pre-Chorus]
I’m trapped in your web

That you built full of your lies
It’s screaming at me
Even though it made me blind

[Chorus]
I ignored the danger signs
Until your mirror was shattered
You blew it this time
It’s written all over your face
You are a mistake

[Verse 2]
I called you my uncle
And you called me your sister
Until you played my heart
For the last time
I’ve grown tired of your games
Now it’s my turn to show you how it’s played

[Pre-Chorus]
I’m trapped in your web
That you built full of your lies
It’s screaming at me
Even though it made me blind

[Chorus]
I ignored the danger signs

Until your mirror is shattered
You blew it this time
It’s written all over your face
You are a mistake

[Bridge]
I’ve tried to help you when you got hurt
But it’s like I was invisible
It’s like you are afraid that you got help
From someone who was different from everyone

[Pre-Chorus]
I’m trapped in your web
That you built full of your lies
It’s screaming at me
Even though it made me blind

[Chorus]
I ignored the danger signs
Until your mirror is shattered
You blew it this time
It’s written all over your face
You are a mistake

[Bridge]
I’ve tried to help you when you got hurt
But it’s like I was invisible

It’s like you are afraid that you got help
From someone who was different from everyone

[Pre-Chorus]
I’m trapped in your web
That you built full of your lies
It’s screaming at me
Even though it made me blind

[Chorus]
I ignored the danger signs
Until your mirror is shattered
You blew it this time
It’s written all over your face
You are a mistake
