Song via Suno

The War is Over

[Verse 1]
I used to think
The day you left
Was my fault
I used to think
You didn’t deserve me
I was drowning in pain

But now it went down the drain
For the first time in my life
The war is over

[Pre-chorus]
I was so used to walking away
I've always wanted my mommy to stay
I've never thought I would see the day go away

[Chorus]
I was so angry
I used to cry
I used to want to die
I gave up hope
Because I was tryna cope

{Bridge Spoken}
No more CPS
No more pain
No more rain
Because it went down the drain
I'm finally free
My family is back

[Pre-chorus]
I was so used to walking away
I've always wanted my mommy to stay

I’ve never thought I would see the day go away

[Chorus]
I was so angry
I used to cry
I used to want to die
I gave up hope
Because I was tryna cope

{Verse 3 Spoken}
We may have disagreements
We may spitball words out of anger
But with both of our hearts
We wouldn’t fall apart
For the first time the war is over

[Pre-chorus]
I was so used to walking away
I’ve always wanted my mommy to stay
I’ve never thought I would see the day go away

[Chorus]
I was so angry
I used to cry
I used to want to die
I gave up hope
Because I was tryna cope
