Letting You Go

[Verse 1]
I’m drowning in water,
While I’m stuck on the surface
It feels like tears are trapped inside,

flooding a place where light can’t reach

[Pre-Chorus]
Every moment without you
feels longer than the day I lost you.
Every strength that I had
died along with you

[Chorus]
The pain I feel
is like a needle in the heart.
The pain I feel
reminds me that you were real

[Verse 2]
My heart is breaking
while I am trying to hold it all together.
Ever since you left,
I feel lost
But I want to be found

[Pre-Chorus]
Every moment without you
feels longer than the day I lost you.
Every strength that I had
died along with you

[Chorus]
The pain I feel
is like a needle in the heart.
The pain I feel
reminds me that you were real

[Verse 3]
I want to give up,
but I made you a promise.
I want to die,
but I made you a promise
that I wouldn’t

[Pre-Chorus]
Every moment without you
feels longer than the day I lost you.
Every strength that I had
died along with you

[Chorus]
The pain I feel
is like a needle in the heart.
The pain I feel
reminds me that you were real

[Verse 4]

Saying goodbye is something I did not do.
Anger ruined my life,
and that's why it is hard to let you go

{Bridge Spoken}
Mom says you forgave me,
but that is something I am not ready to accept.
Knowing that I lost you
makes me feel like its my fault.
I wish I could have done something.
But now it is too late.

[Pre-Chorus]
Every moment without you
feels longer than the day I lost you.
Every strength that I had
died along with you

[Chorus]
The pain I feel
is like a needle in the heart.
The pain I feel
reminds me that you were real

[Verse 5]
I don't have the strength to let this pain go

I don’t have the strength to move forward
I don’t have the strength to forget
I don’t have the strength to forgive myself
I don’t have the strength to be strong
Because all that won’t bring you back

[Pre-Chorus]
Every moment without you
feels longer than the day I lost you.
Every strength that I had
died along with you

[Chorus]
The pain I feel
is like a needle in the heart.
The pain I feel
reminds me that you were real

[Verse 6]
Knowing that hurts me.
The pain hits me, sharp, sudden, hollow.
Everything that I’ve felt
died along with you.
I’ll carry this pain for as long as I live
because it’s the last thing I have of you.

[Pre-Chorus Drum solo with audience claps]

[Pre-Chorus]
Every moment without you
feels longer than the day I lost you.
Every strength that I had
died along with you

[Chorus]
The pain I feel
is like a needle in the heart.
The pain I feel
reminds me that you were real

Uncle Paul, I love you
Uncle Paul, I love you
Uncle Paul, I love you
