Song via: Suno

Robot

[Verse 1]
I treated people with kindness
I smiled at them with care
I gave them respect
When they treated me like trash

[Pre-Chorus 1]
You only see my cane

Instead of seeing my heart
You think just because I have a learning disability
That I can't think for myself

[Chorus 1]
Do you think I'm a robot?
Do you think I can't talk for myself?
Do you think the rain falling from my eyes
Is fake?

[verse 2]
Children sometimes ask me
What's wrong with my legs
Or why I can't walk without assistance
But some adults are cruel
When they should know better
When they should understand

[Pre-chorus 2]
Do you think you're funny?
Do you think you'll make
Other people turn on me?
Do you think I don't have friends?
You think I should only be
With other people with disabilities

[Chorus 2]
Do you think I'm a robot?
Do you think I can't talk for myself?
Do you think the rain falling from my eyes

Is fake

[Pre-Chorus 1]
You only see my cane
Instead of seeing my heart
You think just because I have a learning disability
That I can't think for myself

[Chorus 1]
Do you think I'm a robot?
Do you think I can't talk for myself?
Do you think the rain falling from my eyes
Is fake
[Bridge]
I may have a disability
But I have dreams
I can laugh
I can cry
My disability does not define who I am
It doesn't erase what's in my heart

[Pre-chorus 2]
Do you think you're funny
Do you think you'll make
Other people turn on me?
Do you think I don't have friends?
You think I should only be
With other people with disabilities

[Chorus 2]

Do you think I’m a robot
Do you think I can’t talk for myself?
Do you think the rain falling from my eyes
Is fake?

[Bridge]
Does it make you happy
To think that you have more power
Over me than the person
Who is standing before you?

[Final Chorus]
I’m not a robot
I feel everything
You love it when I stay silent
You like to watch me cry
You think I am not human

I have a voice
I have a heart
I have feelings
And I have dreams
I’m not a robot
I’m human, just like you

[Outro]
I’m not a robot
I feel everything
The rain falling from my eyes
Is real

Because I’m human too
