Bleeding on Every Page

[Verse 1]

My life is an open book

But you never take the time to read it

I try to talk

But silence is all that I hear

There is nowhere to hide

And nowhere to stay

[Pre-Chorus]

Every time I’m alone

I end up drowning in my own tears

No matter where I am

No matter what I’m doing

I’m still lost inside myself

[Chorus]

I’m bleeding on every page

Every word feels lost along the way

Every chapter carries another scar

Page after page the wounds remain

That never had the chance to heal

I’m bleeding on every page

[Guitar Solo]

I’m bleeding on every page

[Guitar Solo]

I’m bleeding on every paaaggeee

Yeah, on every page

[Verse 2]

They judge me based on my past

But don’t care about my future

People flip through each page

Searching for a happy ending

They close the book

Before they know my story

[Pre-Chorus]

Every time I’m alone

I end up drowning in my own tears

No matter where I am

No matter what I’m doing

I’m still lost inside myself

[Chorus]

I’m bleeding on every page

Every word feels lost along the way

Every chapter carries another scar

Page after page the wounds remain

That never had the chance to heal

I’m bleeding on every page

[Guitar Solo]

I’m bleeding on every page

[Guitar Solo]

I’m bleeding on every paaaggeee

Yeah, on every page

[Bridge]

The hardest part wasn’t the silence

And it wasn’t the loneliness

It was the hate

It was the pain

That invaded my heart

My tears stained the paper

Until the ink ran out

[Pre-Chorus]

Every time I’m alone

I end up drowning in my own tears

No matter where I am

No matter what I’m doing

I’m still lost inside myself

[Chorus]

I’m bleeding on every page

Every word feels lost along the way

Every chapter carries another scar

Page after page the wounds remain

That never had the chance to heal

I’m bleeding on every page

[Guitar Solo]

I’m bleeding on every page

[Guitar Solo]

I’m bleeding on every paaaggeee

Yeah, on every page

[Outro]

Each chapter

Becomes another curse

In the endless cycle

Of abandonment and death

A life I never truly had

Yet somehow I was left

To mourn it anyway

I’m bleeding on every paaagggeee
