Valentine's Day — Our First Date

[Intro]
Valentine's Day
Valentine's Day
Valentine's Day
Valentine's Day

Oh, Valentine’s daaayyy

[Guitar Solo]

[Verse 1]
Valentine's Day
Was all about candy, flowers and bears
Valentine's Day
Was about lust
Valentine's Day
Was about drugs and alcohol

[Guitar Solo]

[Pre-Chorus]
Valentine's Day was our first date
You had a steak
I didn’t feel well
So I had a grilled cheese
I was told that I was a cheap date
But I said no way

[Chorus]
Every year before you
Was just another year passing by
Now I circled the date with my heart
I realized that it’s not about candy, hearts or bears

It’s about my head on your shoulder [my head on your shoulder]
It’s about the kiss that we share [the kiss that we share]
And the company we keep

[Guitar Solo]

[Verse 2]
We danced in the hotel room
Ended the night
In each other's arms

[Pre-Chorus]
Valentine's Day was our first date
You had a steak
I didn’t feel well
So I had a grilled cheese
I was told that I was a cheap date
But I said no way

[Chorus]
Every year before you
Was just another year passing by
Now I circled the date with my heart
I realized that it’s not about candy, hearts or bears
It’s about my head on your shoulder [my head on your shoulder]
It’s about the kiss that we share [the kiss that we share]
And the company we keep

[Bridge]
Valentine's Day meant nothing
It had no meaning, no love
With no feeling
Until I met you

[Guitar Solo]

[Pre-Chorus]
Valentine's Day was our first date
You had a steak
I didn’t feel well
So I had a grilled cheese
I was told that I was a cheap date
But I said no way

[Chorus]
Every year before you
Was another year passing by
Now I circled the date with my heart
I realized that it’s not about candy, hearts or bears
It’s about my head on your shoulder [my head on your shoulder]
It’s about the kiss that we share [the kiss that we share]
And the company we keep

[Guitar solo ending]

[Outro]
It’s about my head on your shoulder
It’s about the kiss that we shareee

[Guitar Solo]

[Outro #2]
It’s about my head on your shoulder
It’s about the kiss that we share
It’s about the kiss that we shareeee
