## No More Hiding the Real Me

**(Acoustic  
Guitar version)**

[Spoken]

Have you ever wanted to break free?

Have you ever met someone who teaches you to be yourself?

If you are tired of hiding the real you

Then this song is for you

[Verse 1]

I wore a mask

That was built in armor

I build walls  
That they could not break down  
The mirror is screaming my name  
While I've turned away  
Every sunrise, turned to black and gray

[Chorus]

When I'm with you  
I don't have to hide the real me  
I'm not trapped where I can't breathe  
I tore down walls that only I can see  
I'm done with their games  
I'm tired of their tricks  
No more hiding the real me  
No more hiding the real me

[Verse 2]

I've craved for their approval  
Like a dog wanting a bone  
When I did something good  
They applaud  
But I still felt alone

[Chorus]

When I'm with you  
I don't have to hide the real me  
I'm not trapped where I can't breathe  
I tore down walls that only I can see  
I'm done with their games  
I'm tired of their tricks

No more hiding the real me  
No more hiding the real me

[Bridge]

My scars are my tattoos  
While there are cracks in my heart  
Where light can break through  
Even though I'll fall  
I'll always stand tall

[Chorus]

When I'm with you  
I don't have to hide the real me  
I'm not trapped where I can't breathe  
I tore down walls that only I can see  
I'm done with their games  
I'm tired of their tricks  
No more hiding the real me  
No more hiding the real me
