Song via Suno

No More Hiding the Real Me

[Spoken]
Have you ever wanted to break free?
Have you ever met someone who teaches you to be yourself?
If you are tired of hiding the real you
Then this song is for you

[Guitar Solo]

[Verse 1]
I wore a mask
That was built in armor
I build walls
That they could not break down
The mirror is screaming my name
While I've turned away
Every sunrise, turned to black and gray

[Chorus]
When I'm with you
I don't have to hide the real me
I'm not trapped where I can't breathe
I tore down walls that only I can see
I'm done with their games
I'm tired of their tricks
No more hiding the real me
No more hiding the real me

[Guitar solo]

[Verse 2]
I've craved for their approval
Like a dog wanting a bone
When I did something good
They applaud
But I still felt alone

[Chorus]

When I’m with you
I don’t have to hide the real me
I’m not trapped where I can’t breathe
I tore down walls that only I can see
I’m done with their games
I’m tired of their tricks
No more hiding the real me
No more hiding the real me

[Guitar Solo]

[Bridge]
My scars are my tattoos
While there are cracks in my heart
Where light can break through
Even though I’ll fall
I’ll always stand tall

[Chorus]
When I’m with you
I don’t have to hide the real me
I’m not trapped where I can’t breathe
I tore down walls that only I can see
I’m done with their games
I’m tired of their tricks
No more hiding the real me
No more hiding the real me

[Guitar Solo]
