Nothing More of Me Remains

[Verse 1]
It feels like I’m walking in the dark
Almost as if I’m a ghost
With no reflection

[Pre-Chorus]
My heart screams to move on
But my mind is afraid
Every part of me wants to escape
But it’s like I’m frozen

[Chorus]

I don’t know how to feel
Because I don’t know what’s real
It’s like I have no heart
Almost as if it’s falling apart
It’s like nothing more of me remains

[Verse 2]
I don’t have strength
I don’t have a way out
All I can see is disaster

[Pre-Chorus]
My heart screams to move on
But my mind is afraid
Every part of me wants to escape
But it’s like I’m frozen

[Chorus]
I don’t know how to feel
Because I don’t know what’s real
It’s like I have no heart
Almost as if it’s falling apart
It’s like nothing more of me remains

[Bridge]
No signs
No words

Just so many empty promises

Pre-Chorus]
My heart screams to move on
But my mind is afraid
Every part of me wants to escape
But it’s like I’m frozen

[Chorus]
I don’t know how to feel
Because I don’t know what’s real
It’s like I have no heart
Almost as if it’s falling apart
It’s like nothing more of me remains
