[Verse 1]
I was known as the drama queen
I loved the pain
I loved the rain

That fell from my eyes
I loved the misery
I was addicted to the lies
That you told me
The lies
I've told myself

[Pre-Chorus]
I was addicted with the word love
I didn't know what it meant
But I still used it
I was addicted to the rumors
That led me to believe I wasn't good enough [I wasn't good enough]

[Chorus]
I wanted to belong
When it took so long
I was known as a slut
I was known as a flirt
I was addicted to their lips
When I was done with someone
I always turned to someone new [x4]
Without a word

[Verse 2]
I finally know how to love

I finally know what I deserve
I finally know who I am
But I still feel addicted to my past
How long will it last
Before I move on?

[Pre-Chorus]
I was addicted with the word love
I didn't know what it meant
But I still used it
I was addicted to the rumors
That led me to believe I wasn't good enough [I wasn't good enough]

[Chorus]
I wanted to belong
When it took so long
I was known as a slut
I was known as a flirt
I was addicted to their lips
When I was done with someone
I always turned to someone new [x4]
Without a word

[Spoken]
I didn't know who I was
I didn't know why I did what I did

I was addicted to the worst part of me
I lost sight of who I was
Or who I was meant to be

[Pre-Chorus]
I was addicted with the word love
I didn’t know what it meant
But I still used it
I was addicted to the rumors
That led me to believe I wasn’t good enough [I wasn’t good enough]

[Chorus]
I wanted to belong
When it took so long
I was known as a slut
I was known as a flirt
I was addicted to their lips
When I was done with someone
I always turned to someone new [x4]
Without a word
