Never Before

{Spoken}

Rob, listen

{Verse 1}
Your lips speak soft sweetness
your touch a cool caress
I'm lost in your magic
My heart beats in your chest

{Chorus}
I think of you each morning and dream of you each night
I think of your arms around me
I can’t express my delight

{Verse 2}
I never fallen so quickly on my way you hold a heart in your hands that has never before been given away

{Chorus}
I think of you each morning and dream of you each night
I think of your arms around me
I can’t express my delight

{Bridge}
I feel like I’ve been given one more chance to love again, your love made me whole, your magic makes me want to

live my life for you, with your arms around me I'm finally able to be free, for the first time, your love is real,
For the first time in my life, I can feel

{Verse 3}
Your eyes hold a universe so bright
Your gentle whisper, guides me each night
Every moment with you
Feels like an eternity full of love

{Chorus}
I think of you each morning and dream of you each night
I think of your arms around me
I can't express my delight

{spoken}
I love you
