Sleeping with the Enemy

{Intro}

Sleeping with the enemy {x4}

[Verse 1]
In the past
I've slept with the enemy
For years it made it last

[Pre-Chorus]
I was trapped
It made my heart wrapped
Around my lies, and their lies
That I couldn't see

[Chorus]
I was sleeping with the enemy
I thought it was my only friend [My only friend]
I was sleeping with the enemy
Until it had to end [Until it had to end]

[Verse 2]
I don't know what to feel
Or what was real
What was wrong?
What was right?

[Pre-Chorus]
I was trapped

It made my heart wrapped
Around my lies, and their lies
That I couldn’t see

[Chorus]
I was sleeping with the enemy
I thought it was my only friend [My only friend]
I was sleeping with the enemy
Until it had to end [Until it had to end]

{Spoken}
No more lies
No more lust
All I want is to trust

[Pre-Chorus]
I was trapped
It made my heart wrapped
Around my lies, and their lies
That I couldn’t see

[Chorus]
I was sleeping with the enemy
I thought it was my only friend [My only friend]
I was sleeping with the enemy
Until it had to end [Until it had to end]

{Spoken}
No more lies
No more lust
All I want is to trust
