Music Genre: Soft rock remix with female vocals and layered girl-group harmonies, Acoustic guitar and piano verses, powerful drums in chorus, Bridge features a drum solo with audience clapping rhythm before the final chorus, Emotional and empowering atmosphere

Song via Suno

Faith and Hope (Remix)

[Intro - soft guitar]
Faith and hope
Faith and hope
You say faith and hope
But you never saw my heart

[Guitar Intro]

[Verse 1 - light Guitar]
When I walked into the church one day
They gathered around me
Just so they could pray
Like I had to be fixed
Like I've lost my way

Their silence hurt the most
They never saw my heart
When I knew it was a piece of art
They only saw my disability

[Pre-Chorus - Electric Guitar]
When I told the pastor
He said I was wrong
His eyes turned cold
Like he didn't believe my frown

[Chorus - vocal harmonies]

They told me have faith and hope
But they never saw my soul
Faith should not feel like judgment
Or chains around my heart

Love should never make someone
Feel like they’re torn apart

[Verse 2 - Piano + light drums]
It’s been four years
Since I walked through those doors
I still believe in kindness
But I won’t beg anymore

[Pre-Chorus - Electric Guitar]
When I told the pastor
He said I was wrong
His eyes turned cold
Like he didn’t believe my frown

[Chorus - guitar, drums, harmonies]
They told me have faith and hope
But they never saw my soul
Faith should not feel like judgment
Or chains around my heart

Love should never make someone

Feel like they’re torn apart

[Verse 3]
Faith should not feel like judgment
Or chains around my heart
I’m not broken
I’m far from a disease
My soul was always enough to be me

[Pre-Chorus - Electric Guitar]
When I told the pastor
He said I was wrong
His eyes turned cold
Like he didn’t believe my frown

[Chorus - guitar, drums, harmonies]
They told me have faith and hope
But they never saw my soul
Faith should not feel like judgment
Or chains around my heart

Love should never make someone
Feel like they’re torn apart

[Drum Break – Audience Clapping]
Clap clap
Clap clap

Clap clap clap
Clap clap clap

Hey! Hey!

[Bridge]
I’m not broken
I’m far from a disease
I’m just someone
Who wants you to see the real me

I don’t need a cure
I don’t need your prayers
I don’t need your pity
I just needed someone who cared

[Final Chorus - Big Energy - drums
guitars - Harmonies clapping still in background]
You said have faith and hope
But what is faith and hope
When love wasn’t shown

You said have faith and hope
But you left me alone

I’m not something broken

I’m just a girl who wants to feel free
Now I know
My soul was always enough to be me

[Outro]
Faith and hope
Faith and hope
Now I see the truth
Living inside of me
