If I Had One More Day

[Verse 1]
I hear your voice
Every time the sun goes up
I hear your voice
Every time the sun goes down
I feel your kiss
On my cheek
Telling me good night

[Pre-Chorus]
The phone rings
But it's never you If I could
turn back time I'd change
our last goodbye

[Chorus]
If I had one more chance
I would not let anger win
Instead, I would have told you
I hope you are proud
Of the woman
I’ve become

[Verse 2]
Every time a moth appears
I smile instead of cry
I wonder if you know I'm thinking of you
And that I miss you
More than words can say

[Pre-Chorus]
The phone rings
But it's never you If I could
turn back time I'd change
our last goodbye [Chorus]
If I had one more chance
I would not let anger win

Instead, I would have told you
I hope you are proud
Of the woman
I’ve become

[Bridge]
If I had one more day
I would say that I miss you
And I hope you always know
How much I still love you

I hope you are proud
Of the woman I am today
That I accomplished something
That I always dreamed about

[Pre-Chorus]
The phone rings
But it's never you If I could
turn back time I'd change
our last goodbye

[Chorus]
If I had one more chance
I would not let anger win
Instead, I would have told you
I hope you are proud
Of the woman
I’ve become
If I had one more chance

I would not let anger win
Instead, I would have told you
I hope you are proud
Of the woman
I've become
I'll carry your love with me
Until we meet again
