Mirror

[Verse 1]
When I look in the mirror
A stranger is all that I see

I don’t know who I am
When I only have scars
I try to cry for help
But I can’t make a sound

[Pre-Chorus]
I look in the mirror
To try to find who I really am
Am I a girl character in a movie
Or am I the invisible girl that no one sees

[Chorus]
It tells me that I am strong
But the mirror can be wrong
It does not know how I really feel
Because only I know what is real
The mirror tells me that I am full of life
But it does not know that my heart has a knife

[Guitar Solo]

[Verse 2]
When I look in the mirror
It’s like I am a shadow of black and white
The mirror tells me that I am beautiful
But the mirror can lie

[Pre-Chorus]
I look in the mirror
To try to find who I really am
Am I a girl character in a movie
Or am I the invisible girl that no one sees

[Chorus]
It tells me that I am strong
But the mirror can be wrong
It does not know how I really feel
Because only I know what is real
The mirror tells me that I am full of life
But it does not know that my heart has a knife

[Bridge]
When I look in the mirror
There's a girl that's staring back at me that I don't recognize

[Guitar Solo]

[Pre-Chorus]
I look in the mirror
To try to find who I really am
Am I a girl character in a movie

Or am I the invisible girl that no one sees

[Chorus]
It tells me that I am strong
But the mirror can be wrong
It does not know how I really feel
Because only I know what is real
The mirror tells me that I am full of life
But it does not know that my heart has a knife

[Guitar Solo]
