Superhero

{Long Guitar Solo}

[Verse 1]
My heart was broken and bruised

My eyes was always filled with rain
When I found you
The rain went down the drain

[Chorus]
I was stuck under a cloud
With thunder breaking through
You taught me how to fight
When I fall, you know how to catch me
Because you're my superhero [You're superhero]

{Guitar Solo}

[Verse 2]
I didn't know how to fix my heart
But with you, you made it a piece of art

[Chorus]
I was stuck under a cloud
With thunder breaking through
You taught me how to fight
When I fall, you know how to catch me
Because you're my superhero [You're superhero]

[Bridge]
I don't have no face the world alone
If you are by my side
You taught me how to be strong
Even though things can be wrong
You're my superhero

[Guitar Solo]

[Chorus]
I was stuck under a cloud
With thunder breaking through
You taught me how to fight
When I fall, you know how to catch me
Because you're my superhero [You're superhero]

[Guitar Solo]

[Chorus]
I was stuck under a cloud
With thunder breaking through
You taught me how to fight
When I fall, you know how to catch me
Because you're my superhero [You're superhero]

[Guitar Solo]

[Outro]
You're my superhero
You're my superhero
You're my superhero
You're my superheroooooo
