Welcome to Jhana's Writing Journey

[Verse 1]

I started writing during some of the hardest years of my life
Every story helped me show who I really am
Through the pages, I could escape reality
Writing was only a hobby
Until one day, it became my life

[Pre-Chorus]

Through every word
Came stories that needed to be told
I finally found my voice
Even when life knocked me down
My stories kept me alive
When I wanted to give up

[Chorus]

Welcome to Jhana's Writing Journey
Where dreams come to life
Through every story
I become who I really am

This journey gave me the strength
To create one chapter at a time

[Verse 2]

There were days
When people only saw the disabled girl
But writing stayed beside me
Now I'm simply Jhana
Someone others can look up to

I turned my pain into words
And I learned how to heal through creativity

[Pre-Chorus]

Through every word

Came stories that needed to be told
I finally found my voice
Even when life knocked me down
My stories kept me alive
When I wanted to give up

[Chorus]

Welcome to Jhana's Writing Journey
Where dreams come to life
Through every story
I become who I really am

This journey gave me the strength
To create one chapter at a time

[Bridge]

Maybe someone out there is listening
Maybe someone feels the same way I do
You'll always find a home
At Jhana's Writing Journey

[Final Chorus]

Welcome to Jhana's Writing Journey
Where dreams come to life
Through every story
I become who I really am
This journey gave me the strength
To create one chapter at a time
